SUMMARY

- For the first time in the 2017 Battlewin Premier League competition weather conditions have forced the cancellation of matches with heavy rain on Sunday morning leading to the matches between Avoca and East Gosford at Erina High School and Terrigal and Killarney District at Duffy's Road. The matches will now be played on Tuesday 27th at Plum
- In the three matches that were played Gosford City retained their competition lead despite being stretched to the limit by a gutsy Southern-Ettalong team; Berkeley Vale won their crucial match against The Entrance while Toukley returned to form with a big win over Kincumber.
- In other news the BPL All-Stars team to take on the Mariners at Plum Park on Wednesday 5th July at Plum Park has been named by coach Nick Montgomery. Details on the CCF website.

BERKELEY VALE 2 THE ENTRANCE 1

- Berkeley Vale have returned to the top four with a come-from-behind 2-1 win over The Entrance in a high standard and entertaining match at Mingara Sports field. The visitors took an early lead with Matt Kenny scoring in the third minute through Matt Kenny and held it until midway through the second half when Troy Mumford equalised. Continual pressure by the Wombats eventually told and the winner came from Paul McGinley eight minutes from full-time.
- The next round sees Berkeley Vale travel to the peninsula to take on what will be a desperate SEU outfit at James Browne Oval and The Entrance at home against Avoca.

GOSFORD CITY 1 SOUTHERN-ETTALONG 0

- Twelve months ago the chances of this match being played at Gavenlock Oval would have been zero. Now thanks to the funds provided by the Gosford City club, CCF and CC Council the surface is one of the best of all Council grounds and the match was never in doubt.
- By contrast the result of the match was very much in doubt right up until full-time and Southern-Ettalong can consider themselves very unlucky not to have come away with at least a point in what was fast, open and entertaining game. The dominant feature was poor finishing with both sides creating numerous scoring opportunities, especially in the second

half, but forcing only a couple of pressure saves from the two goalkeepers. A 76th Minute strike from Jared McNee proved to be the difference between the two sides.

- The loss sees Southern drop to eighth place just one point ahead of Terrigal who now have a game in hand. They face another tough match next Sunday at home to Berkeley Vale while Gosford City travel north to take on Toukley at Harry Moore Oval.

TOUKLEY 6 KINCUMBER 0

- Toukley look to have recaptured some of the form that took them to third place in the 2016 BPL competition with a 6-0 demolition of Kincumber at Frost Reserve, the biggest winning margin of the season in any first grade match. The Roos were in contention at the break with the Gunners 2-0 ahead but slipped badly in the second half conceding four more goals. Joint player/coach Jai Kelly scored twice, the second from the penalty spot, with the other four shared between Ben Glachan, Alex Govorcin, Brayden Grant and Will Haynes.
- The loss puts added pressure on Kincumber with them sitting in last place, three points behind Terrigal who have a game in hand and with a minus-23 goal difference. Their task doesn't get any easier next week when they travel to EDSACC to take on a Killarney District team that will be desperate for a win to maintain their pressure on competition leaders Gosford City who will be Toukley's next rivals at Harry Moore Oval.
