Under 5 - Under 7 age groups are not graded. We will place members in teams based on ability and preference, where possible.

Under 8 - Under 18 age groups are graded and team selection will be based on attendance at the grading day(s) in February. Our grading panel will conduct grading sessions to determine which team your child will be placed in based on their ability.

Players will initially be placed into a team after grading has been completed. Please note that further changes could be made and players may be changed to another team after trial games have been completed in February & March.

All players will need to be registered to participate in grading.

Grading will be undertaken on the following dates at Harry Moore Oval (further information on times for each age group to follow in late January):

12th February – Grading Session 1 at Harry Moore Oval

19th February – Grading Session 2 at Harry Moore Oval

26th February - Grading Session 3 at Harry Moore Oval

Come and Try Day

TGFC will be hosting a Come and Try Day on Monday 5th February (further details to follow) for all new players to try out football and ask any questions of the club. This session is for new players to the club only.

Training

Training will be held at Harry Moore Oval on Tuesday, Wednesday and Thursday afternoons/evenings. Training allocations will be released in late February. Teams will train either one or two days per week depending on age group and grade.

All teams will be provided with training equipment including balls, bibs, cones and access to a range of other training equipment on a shared basis with other teams.

TGFC are investing in coaching to provide a solid footballing platform for our juniors. In addition to your teams regular training, TGFC will be offering specialist goalkeeper coaching this season with one of our coaches and experienced goalkeepers who has recently completed the Foundation to Goalkeeping course.
