SUPPORT**

**2000+** CADETS,  
COACHES +  
MANAGERS

The image displays three types of volunteer vests: a yellow vest labeled 'CADET', a blue vest labeled 'COACH', and a white vest labeled 'MANAGER'. To the right, a circular inset shows a group of people at an outdoor event wearing these vests, including a pink 'RUNNER' vest, a white 'WATER CARRIER' vest, and a dark blue 'COACH' vest.

# Kits and Jerseys

- All teams receive a training kit with balls, bibs and cones, two portable goals (for small sided teams), your teams jerseys, team official vest and coaches and managers bibs.
- Coaches and Managers are responsible for these kits
- It is the preference of the club that coaches and managers keep jerseys together as a kit and not hand them out to each individual player. This helps to prevent jersey damage or lost jerseys.
- Players are not to wear jerseys other than at game times.
- Jerseys and training kits are also to be returned at the end of the season, clean and back in the bag provided.
- Jerseys are not to be placed in a clothes dryer as they may become damaged due to the material they are made out of.
- Damaged equipment or lost/damaged jerseys may result in a replacement fee pending circumstances.
- The club are currently ordering additional jerseys for those teams not in the standard yellow jerseys or who require size swaps. Your patience and understanding on this is much appreciated.
