Players will initially be placed into a team after grading has been completed. Please note that further changes could be made and players may be changed to another team after trial games have been completed in February & March.

All players will need to be registered to participate in grading.

The time and location of the grading sessions will be communicated in late January following ground allocations by CCF and Council.

Come and Try Day

TGFC will be hosting a Come and Try Day in late January/early February (initial target date is Saturday 31st January 9-11am) for all new players to try out football and ask any questions of the club. Please contact the Club Secretary to find out more information or if you would like to place an item on the agenda. The Annual General Meeting is held in October/November at which time a new committee is elected. We encourage all parents and players to attend, as this is the time when the success of the Club is celebrated. If you are interested in the future development of the Club then being on the committee can be the first step to positive change. Feel free to speak to a committee member to discuss what is involved.

All our Coaches and Managers are also volunteers, if you are interested in volunteering to Coach or Manage a team, please email clubfootball.tgfc@gmail.com. TGFC actively support our coaches and managers to receive the required training and support to undertake the role.

We also have a Gunners Volunteers WhatsApp group to support our club committee throughout the season. Volunteers are needed:

- on match days at Harry Moore Oval
- to help organise and run club events (Pink Socks Weekend, Old Gunners Night, end of season presentation events and other socials events)
- for other ad-hoc tasks such as start and end of season working bees and Bunnings fundraiser BBQ's.

Any time you can spare throughout the season would be most appreciated. To be part of the Gunners Volunteers Group please click on the below link to join the WhatsApp group:

Ground Closures due to Wet Weather

For all sportsgrounds Council assess the effects of wet weather and the condition of each sportsground from Monday to Friday 3pm inclusive. If Council determines the sportsgrounds are closed by 3pm weekdays, they cannot be used for training or competition purposes. This includes the area surrounding the sports grounds. Unauthorised use will result in fines to the user. Information is updated by 3pm daily and always takes precedence over the ground signs. Ground closures will be notified via Councils website: [Sportsground Closures | Central Coast Council](#)

After 3pm Friday and on the weekend, the decision to close the ground due to wet weather and/or dangerous play and/or damaging the playing surface will be made by TGFC by 3pm on Fridays and 7am on weekend game days. The Clubs Facebook page will be updated accordingly. Please also check the website of Central Coast Football, www.ccfootball.com.au and MyCompApp for the status of other grounds. Council also reserves the right to close sports grounds on weekends under special circumstances.
