

Koala Park Summer 6's Team and Player Rules

- Each team to have 6 players on the field - 5 field players & 1 goalkeeper.
- Games are 24 minutes long, 12-minutes each way with a 1-minute halftime break.
- Points awarded: Win = 3 points, Draw = 1 point, Loss = 0 points.
- A forfeited game will result in a 3-0 loss.
- In the event of a washout, the game will be classed as a washout and a 0-0 draw recorded.
- Unlimited rolling substitutions apply. In the event that a goalkeeper is to be substituted, the team is to notify the referee, and the game will be paused to allow the changeover.
- A maximum of 10 players can partake in each game, that is, 4 subs only.
- CCF rules apply except as modified in this document.
- The player responsible for kicking the ball away from the field of play MUST immediately leave the field and retrieve the ball. Substitutions may be made. If it is clear to the Referee that another person is retrieving the ball, then that player may remain in the game.
- There are NO Offsides.
- Goalkeepers are not permitted to kick the ball out of their hands or throw the ball over halfway on the full.
- Players MUST remain on their feet to make a tackle. Slide tackles will result in a free kick to the opposition.
- In all cases where players transgress these rules and are removed from the field of play, their team may use a substitute. The player will be sanctioned, not the team.
- All players are to have respect for the Referee and to accept the decisions made, without dissent. Referees are instructed to Sin Bin offenders, with the team then playing one player short for 5-minutes.
- Repeated dissent towards a Referee will result in a player being Sent Off.
- Repeated foul play and/or abusive language may result in a player being either sent to the Sin Bin for a period determined by the Referee or Sent Off.
- Players Sent Off will not be able to take any further part in that evening's competition.
- Team must have a primary set of shirts, shorts and socks. If a clash in colours occurs, then bibs will be provided.
- Players must wear appropriate footwear (football boots permitted) and shin pads.
- Players, supporters, coaches and team managers must abide by the CCF Code of Conduct.

- All players are expected to behave in a sporting manner. Overly aggressive play will not be tolerated. This is a Social Competition.
- Knockout finals will occur in the last week of the summer football season.
 - If teams are equal on points, goals for and against will determine final rankings.
 - If goal difference is equal, the team who scored the most goals will determine the ranking.
 - If still undetermined, least goals conceded will determine the ranking.
 - If still undetermined, a penalty shootout will determine the ranking.
 - Finals will be straight knock-out elimination / progression based on table ranking after 9-weeks of regular season games.
- If there is draw at end of normal time in a final, there will be a penalty shoot-out to determine a winner. The shoot-out will be best-of-3 penalties, then sudden death if required.
